Qualification

Institute	Level	Board	Grade/Percentage	Graduation Year
Shree Lamatola Secondary School	SEE (Secondary Education Examination)	NEB (National Examination Board)	3.3 GPA	2020 AD
Budhanilkantha Secondary School	Diploma in Computer Engineering	CTEVT (Council for Technical Education and Vocational Training)	76.78%	2024 AD

Skills

- ✓ Application Development
- ✓ Web Development
- ✓ Data Structure and Algorithm
- ✓ Software Development
- ✓ UI/UX Design
- ✓ Database Management
- ✓ Problem-Solving
- ✓ Communication
- ✓ Continuous learning

Programming Skills

- ✓ PHP
- ✓ JavaScript
- ✓ C#
- ✓ Python (Beginner)
- ✓ Java
- ✓ C++
- ✓ React (Beginner)
- ✓ HTML, CSS
- ✓ C

Experience

Independent Software Designer
Self-Directed Projects
May 2023 – Jan 2024

- **eSchool Portal**: An online School portal which facilitate students and teachers without visiting the physical school.
    - Utilized C#, MySQL to create a user-friendly interface.
    - Implemented features such as user authentication, real-time updates, virtual classroom, progress track etc.
    - Collaborated with educational professionals to tailor the platform to meet specific needs of both teachers and students, ensuring accessibility and ease of use for all age groups.

Personal Application Project
Jun 2024 – Present

- ***Job And Employee Finder****: Developing an application which will contribute on finding nearby temporary jobs and workers.*
    - *Designed user-friendly interfaces using Figma and Canva*
    - *Implemented core features such as user authentication, job and employee matching, notifications, user profile management etc.*
    - *Utilized Flutter to build a robust and scalable application.*
    - *Conducted user testing to gather feedback and iterated on design and functionality, leading to improving user experience and fixing bugs.*
